

Welcome to Laurel Hill Center

Laurel Hill Center has been giving hope to people in our community since 1972.

Tailoring our efforts to reflect each individual's strengths and challenges better assists them in exploring options, make meaningful choices, and achieve their goals. Working with staff, participants determine the services they need to reach their recovery goals. Laurel Hill Center services utilize evidence-based practices with proven effectiveness in helping people with serious mental illness on the path to recovery.
